**Return Items**

We accept returns and refunds for new, unused products in their original packaging within 30 days. Items damaged upon receipt can be returned within 30 days for a refund, simply submit a return request and we'll provide return shipping instructions upon approval. This does not include damage to the packaging during transit, only if the product itself is damaged. If the product is returned, inspected, and deemed undamaged and fully functional; the cost of return shipping will be deducted from your refund. For other reasons like mistaken purchases, no longer need, or buyers' remorse, submit a return request within 30 days, follow the provided instructions, and you'll a refund (minus shipping costs) after the return is inspected and processed. Again, we only accept returns and refunds for new, unused products in their original packaging. If you used the product and run into an issue covered by warranty, please see our warranty policy.

It is important to note, that for the refund to be successful, you must include items that came with the original product package (batteries, chargers, in-box accessories, etc.). This includes combo kits (more than one product in one box). This also includes virtual kits (purchased as a single item on the website but shipped in separate boxes). ALL pieces of the combo kit or virtual kit must be included in the return for the refund to be successful. If returning a virtual kit, please contact our customer service to submit your return.

Riding mower, e-bike, go-kart, and dual-stage snow blower sales are final. If there is an issue upon delivery, set up, or start up, please call customer service to schedule a time for a service center or technician to examine the unit.
