I recently ordered from Shein and my package was split in 12 different orders, most of them just 1 item. I would like these packages to be consolidated and shipped together. I am aware of the \$350.00 TTD fee to do this and will pay this fee. I will set up pre alert once I get the tracking numbers.

Any questions or concerns I can be contacted at 464-0422.

Regards,

Chloe Hebbon
