## FAQ

### Can I change or cancel my order once it has shipped?

To ensure the fastest delivery possible, our warehouse immediately begins processing orders as they are submitted. It is not possible to make changes or cancel your order. Once you receive your order, you can start a return for a refund or an exchange for different item(s).

### How will my package arrive?

We ship packages through UPS and USPS.

### What is your return policy?

Items in original condition can be returned or exchanged within 45 days of delivery when accompanied by your original invoice. Washed, worn or embroidered items cannot be returned. Due to high seasonal demand and limited quantities of holiday prints, these items must be returned or exchanged within 14 days of delivery. For more details [click here](#).
